

CalTutors Photography Permission Form

CalTutors recognises the need to ensure the welfare and safety of all young people taking part in any activity associated with our organisation.

In accordance with our child protection policy we will not permit photographs, video or other images of young people to be taken without the consent of the parents/carers and children. As your child will be taking part in CalTutors in the Calabazas Library or West Valley Library, we would like to ask for your consent to take photographs/videos of the event or activity that may contain images of your child. It is likely that these images may be used as

- a record of the activity or the event
- in a written evaluation report of the activity or event that will be viewed by CalTutors
- publicity material for further activities or events on leaflets/websites/magazines
- illustrations of the activities or events in published articles

CalTutors will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform CalTutors immediately.
